India Declares State of War With R. China

By HENRY S. BRADSHAW
NEW DELHI, India (AP) —
Chinese troops drove deeper into
India today and President Sarve-
palli Radhakrishnan proclaimed
a state of emergency, putting the
nation on a war footing.

Prime Minister Nehru's govern-
ment was given supreme powers
to rally the nation's 487 million
persons for an all-out defense of
what he has charged is a Com-
munist threat to their freedom.
The emergency proclamation
came as the Chinese kept up their
attacks at both ends of the north-
eastern frontier.

India, rushing regular army
troops to the front to bolster out-
posts manned by border guards,
claimed the Communists had been
beaten off at two points as re-
sistance stiffened.

Nehru has held off formally de-
claring India at war with Red
China but under the state of
emergency his central govern-
ment can take over any power
presently held by one of the na-
tion's 15 states. Freedom of
speech may be curtailed and pow-
ers of the courts on matters of
ordinary fundamental rights lim-
ited.

By HENRY S. BRADSHAW
NEW DELHI, India (AP) —
Chinese Communist troops were
attacking on two new sectors of
the northeast border today, plung-
ing deeper into India as Prime
Minister Nehru's government pre-
pared for a long struggle.

On the western front, in
Ladakh, the defense ministry said
the communists were hurled back
in an attack on Poet, a few
miles from Chushul, where India
has its only airfield near the
battleground. The fall of Chushul
would be a severe blow to India's
thin supply lines in Ladakh.

Radio Peiping claimed Indian
attacks were repulsed both on the
northwestern front in Ladakh and
on the northeast front about 1,000
miles to the east.

A defense ministry spokesman
said the new Chinese attacks on
the northeast boundary were
launched 32 and 50 miles east of
Longju, about midway between
Bhutan and Burma.

The main Chinese blows have
fallen to the west of Longju,
where the trading center of To-
wang was overrun Wednesday.
Towang is 17 miles south of the
border claimed by India.

As the attacks widened, it ap-
peared the Chinese were trying
to capture all the 32,500 square
miles they claim in the northeast
bordering Tibet. It is believed
they already have captured most
of the more than 12,000 square
miles of territory they claim in
Ladakh.

Few Are Using Medical Aid Bill

LITTLE ROCK (AP) — Appa-
rently little realization of oppor-
tunities under the Kerr-Mills
medical aid act exists in Arkan-
sas it was revealed Thursday at
a meeting of hospital manage-
ment officials. One official said
he frequently suggested use of the
aid plan only to have physicians
ask what it is. Mrs. Margaret E.
Deal, director of medical care
services for the Welfare Depart-
ment, said last month 1,400 per-
sons used services under the act
where an estimated 60,000 or more
are eligible.

Scare Food Buying in Some Areas

By THE ASSOCIATED PRESS

There is some scare food buying
around the nation because of the
Cuban crisis, but no concerted
rush to strip shelves of canned
goods and packaged staples, a
survey showed today.

As one food chain executive in
the Washington, D.C.-Maryland
area put it, the best indication of
a scare would be in purchases of
cane lots and his chain has had
none of that beyond normal sales.

However, in Baltimore, Md.,
one woman bought \$40 worth of
canned goods and first-aid mate-
rial, telling the cashier she was
heading for the hills of West Vir-
ginia.

Grocers in Arizona reported a
sharp upswing in sales of canned
goods, baby food, canned milk,
etc., but nowhere near the report-
ed heavy buying in the Los An-
geles area. In Los Angeles, city
officials urged housewives to keep
a two-week supply of food on
hand.

From Des Moines, Iowa, the
report is that food buying is back
to normal after a two-day flurry.
In Ohio, officials of two chain
stores in Cincinnati say sales are
normal, with one official adding
he saw "not even a trace of
panic."

Civil defense authorities are
giving this advice to house-
holders:

Stock your basement with a
two-week supply of canned goods
and water; plan on a quart of
water per person each day as
adequate for drinking purposes
only. Supplies should include a
battery-powered radio, a first-aid
kit, blankets and warm clothing.

Nelson-Hill Post Wins an Award

The Nelson Hill Unit 127 of the
American Legion Auxiliary is the
winner of the membership prize
in the Western Division for the
highest per cent of membership
quota 100% plus 100 over quota
reached by fall conference date
on Sept. 23 at Little Rock.

The \$5 award was presented to
Unit President Mrs. Odessa Brad-
ley by Mrs. Joe Jones, Vice-pres-
ident of the Western Division at
the joint meeting of the auxiliary
and post held Tuesday night, Oc-
tober 23.

3 Cars Involved in Accident

A three-car accident east on
Third Street yesterday resulted in
the injury of one person, City
Police reported.

Officers Martin and Torbert said
a car driven by Howard A. Hous-
ton, Jr., 17, hit the rear of an
auto driven by William M. Miller
of Hope. The Miller vehicle was
knocked into the rear of a third
auto driven by Mrs. Bryan Ritchie
of Prescott.

Young Houston sustained cuts
about the head and was taken to a
local hospital for treatment. He
was charged with hazardous driv-
ing.

The front and rear end of the
Miller car was damaged. The
rear of the Ritchie vehicle had
bumper damage and the Hous-
ton car's front end was smashed.

Red China Drives Deeper Inside India

By HENRY S. BRADSHAW

NEW DELHI, India (AP) — Chi-
nese Communist troops have driv-
en deeper into India at both ends
of the northeastern frontier, an
Indian spokesman said today.

Almost a week after the Chinese
launched their offensive into India
there is still no sign of the Indian
army being able to check Commu-
nist advances. The fighting is re-
ported bitter and casualties heavy
but no statistics have been re-
leased. The Red Chinese are said
to be taking no prisoners.

A Defense Ministry spokesman
reported a Chinese division of
10,000 men Thursday attacked the
town of Jang, four or five miles
east of the important monastery
town of Towang which was cap-
tured Wednesday. Jang is on the
jeep track from Towang to the
plains of Assam in eastern India.

Authoritative sources said two
battalions of Indian troops will try
to make a stand where the jeep
track crosses the 13,940-foot-high
pass 14 miles east of Towang. But
this is expected to be little more
than a two- or three-day delaying
action rather than a strong
enough defense to halt the onrush-
ing Red Chinese.

Kerr Coming to State for Demo Rally

LITTLE ROCK (AP) — Sen. Rob-
ert S. Kerr, D-Okla., will speak
at a statewide Democratic Rally
Friday at Little Rock, Gov. Or-
val E. Faubus said Thursday.

Faubus said the appearance of
Kerr has been approved by all
Arkansas Democratic nominees
for state and national offices.

The Young Democrats Club of
Arkansas is sponsoring the rally,
to start at 6:30 p.m. Ted J. Mor-
ley, Democratic campaign man-
ager, said all county party com-
mittees are being asked to sell
tickets to the affair.

Faubus said Kerr had offered
to come to the state to speak in
behalf of Democratic candidates,
saying in a telegram, "I under-
stand that Republican (John)
Tower of Texas has visited Arkan-
sas campaigning for his
party's ticket in your state and
that Senator (Barry) Goldwater
of Arizona will visit Arkansas on
Oct. 31 or the same purpose.

"As a good neighbor and good
friend, I would be happy to speak
in your state in behalf of the
Democratic ticket."

U.S. Hints Further Action; Ship Halted

Red Freighter Is Searched, Released

WASHINGTON (AP) — A U.S.
Navy party boarded a Russian-
chartered Lebanese freighter to-
day, and reported more than two
hours later that no offensive weap-
ons material was aboard.

The freighter, Marucla, was
permitted to sail on for Havana
with a cargo described as 12
trucks, sulphur, paper rolls, and
parts for trucks.

Assistant Secretary of Defense
Arthur Sylvester told a news con-
ference that the Navy had re-
ceived a message saying that the
boarding party was returning to
the destroyer Joseph P. Kennedy
at 10:20 a.m. (EST). The message
reported that "no prohibited ma-
terial" has been found on board.

The message said all the Maru-
cla's papers were in order and the
boarding party had obtained a
copy of the cargo manifest.
"Cargo 12 trucks deck loaded,"
the message said, "All holds
loaded to capacity. No passen-
gers."

The stopping of the Marucla
was the second interception an-
nounced and the first reported
boarding by the Navy since it
clamped a quarantine on Commu-
nist arms shipments to Cuba
Wednesday morning.

The Marucla, which Sylvester
said was listed in Lloyd's Shipping
Registry as a British-owned World
War II Liberty ship, was given
permission to proceed on a course
for Havana.

The vessel reportedly flies
Lebanese flag.

The boarding party, of undis-
closed size, went aboard the Maru-
cla at 6:50 a.m. (EST) 180 miles
northeast of Nassau in the Ba-
hamas.

Sylvester said that the destroyer
John R. Pierce set out at 2 p.m.
Thursday to intercept the Maru-
cla, assisted by tracker air-
planes.

The Pierce made contact about
10:30 p.m. Thursday and was
joined by the destroyer Joseph P.
Kennedy after midnight. The Ken-
nedy was named for the Presi-
dent's brother, a Navy flier killed
in World War II.

During the rest of the night, the
Marucla headed on a south south-
west course at 12 knots, Sylvester
said.

The freighter informed the Pierce
that she had a cargo of sulphur,
paper rolls, and truck parts.

The destroyers trailed the
Marucla by about two miles under
orders to stop her and board at
first light.

At 6:24 a.m., est, the command-
ers of the two ships ordered
boarding parties away. The Ken-
nedy lowered its whaleboat at
6:29. At 6:32, the Marucla lowered
a Jacob's ladder for the boarding
party.

At 6:46, the party was alongside
and board and at 6:50 the party
was aboard.

There was a possibility that still

Cold Comes to Much of the Nation

By THE ASSOCIATED PRESS

Midwinter snow and cold poured
double trouble on sections of the
Northeast today.

Snow reached a depth of 8
inches in Ghent, near Akron, Ohio
inches in Twinsburg; and 2 to
4 inches in some of Cleveland's
suburbs.

U.S. 21, the main route between
Cleveland and Akron, became
blocked at 1:30 a.m. with between
2,000 and 3,000 vehicles on the
road. Snow removal equipment
was trapped in the snarl. Five
tractor-trailers jackknifed in a
25-mile-long traffic tieup. Several
schools closed.

With winter almost two months
away on the calendar, snow in
Michigan measured 11 inches in
Cassopolis, 8 in Van Buren and
Paw Paw, and 4 in Allegan.

Up to inches of snow accumu-
lated in mountain sectors of
Pennsylvania.

Snow fell in many parts of New
England. It was light in most
districts, but amounted to about
2 inches in Worcester, Mass.

Light snow blended with sleet
with temperatures close to freez-
ing in northern New Jersey.

New York City had its first
snowfall of the season the eighth
time on record that snow fell in
October there.

"One of the coldest outbreaks
of polar air ever seen in Octo-
ber"—that's the way the Weather
Bureau described it — shattered
many long standing temperature
records east of the Mississippi
River.

The autumn freeze reached
down to the middle of Gulf Coast
states.

Among new lows for the date
were 19 above zero in Moline and
Peoria, Ill., 25 in Pittsburgh, 23 in
Columbus, Ohio, and 33 at the
Charleston, S. C., Airport.

Minima elsewhere included:
Lancaster and Park Falls, Wis.,
11, International Falls, Minn., 13,
Cincinnati 19 and Birmingham,
Ala., 30.

There was an indication of some
relief from the cold in the Mid-
west. Temperatures moderated in
the Plains states as the cold air
mass, fanned by southerly winds,
moved eastward.

Fairly seasonable weather pre-
vailed in the Rockies and Pacific
coastal areas. Temperatures were
mostly in the 40s, with 50s along
some coastal areas and the 60s
and 70s in the Southwest Desert
region.

Protestantism Is Growing

Methodist missionaries are on the

colleges and universities of Latin
America. Protestants once were
persecuted in South America, he
said.

Thant Talks to U.S. About a Moratorium

By TOM HOGE

UNITED NATIONS, N.Y. (AP) —
Acting Secretary-General U.
Thant met with representatives of
the United States today in an ef-
fort to set up negotiations to end
the Cuban crisis. He scheduled
meetings later in the day with So-
viet and Cuban diplomats.

Two top-ranking members of the
permanent U.S. delegation to the
United Nations — Ambassadors
Francis T.P. Plimpton and
Charles W. Yost — met with Thant
in the absence of Chief Delegate
Adlai E. Stevenson who had
rushed to Washington for consul-
tations.

The first meeting took place at
11:30 a.m. EDT in the 38th floor
office of the secretary-general.
Thant arranged to see Soviet De-
puty Foreign Minister Valerian A.
Zorin at 4:30 p.m. and Cuban Am-
bassador Mario Garcia-Inchausti-
gui at 5:30 p.m.

In Washington, Stevenson con-
ferred with President Kennedy and
attended a meeting of the 12-
member executive committee of
the National Security Council at
the White House.

While both Moscow and Wash-
ington lifted some of the world
tension by agreeing to prelimi-
nary talks, the United States con-
tinued its blockade of Cuba and
kept up its demand for removal
of Soviet missiles from Cuban
soil.

Moscow Radio announced the
Soviet Union's strategic rocket
troops have been ordered on a
state of increased combat readi-
ness.

Premier Khrushchev's condi-
tional acceptance of Thant's ne-
gotiation proposal was seen by
Western diplomats in Moscow as
preparation for him to appeal
before the United Nations. They
said he also apparently had di-
rected Soviet ships carrying arms
to turn back from Cuba.

Washington sources said the
Soviet ships turning back include
most of those suspected of carry-
ing offensive weapons, among
them was a huge vessel designed
to transport missiles.

A White House authority em-
phasized "there are still Soviet
ships headed toward Cuba, and
the only way this government can
get precise information on some
of these ships or the cargo they
are carrying is through the quar-
antine."

The first Soviet ship stopped by
the Navy blockade was an oil
tanker, the Bucharest. She was
not boarded and was allowed to
proceed Thursday after an ex-
change with the blockading ship.

US strategists believed the cli-
max of the crisis was still to come
with the issue up to the Kremlin
whether the solution would be
military or peaceful.

As the peace efforts focused on
the United Nations, demonstra-
tions for and against the US
blockade continued around the
world.

Western Europe's newspapers
greeted with relief the willingness
of the United States and the So-
viet Union to talk. But many
feared the crisis may smoulder
for weeks.

Thant announced he would hold
separate talks with the United
States, the Soviet Union and
Cuba, beginning today with US
Ambassador Adlai E. Stevenson.

Stevenson indicated to newsmen
he would insist on proof that
Soviet arms shipments to Cuba
will cease and the Soviets will
halt the erection of missile bases
in Cuba if the three nations agree
to meet at the negotiating table.

Morrilton to Vote on Bonds

MORRILTON, Ark. (AP) — An
election on a proposed \$6.5 mil-
lion bond issue to finance the ex-
pansion of the Arkansas Cotton
Mills in Morrilton has been set
for Nov. 27. The issue was to
have been voted on last Tuesday
but was postponed so that the
city and the firm could revise the
proposal in order to take ad-
vantage of a new tax law.

If Buildup by Russia in Cuba Continues

WASHINGTON (AP) — A State
Department spokesman said to-
day "further action will be justi-
fied" if offensive military prepa-
rations in Cuba continue.

Press officer Lincoln White
gave that reply to a question con-
cerning the possibility of a U.S.
invasion of Cuba. The present
U.S. quarantine against offensive
arms there is aimed against a
buildup of long-range Soviet pow-
er in Cuba.

White declined to speculate on
just what the United States might
do. However, officials said sur-
veillance discloses that the work
of building missile sites in Cuba
is continuing.

The spokesman said:
"I would like to underline that
portion of the President's speech
Monday night which said, 'Should
these offensive military prepara-
tions continue, thus increasing the
threat to the hemisphere, further
action will be justified.'"

White House officials reported
no indication that events of the
last 24 hours have eased the Cu-
ban crisis, despite optimism to
that effect in sections of the
European press.

White House press secretary
Pierre Salinger said he may have
a statement later in the day on
activity at missile sites in Cuba.

There was no direct answer to
questions whether the government
is considering direct action
against them missile sites.

Statistical studies find far more
heart attacks among cigarette
smokers than nonsmokers. But a
key question is exactly how the
smoker's heart could be harmed.

Evidence that a bad effect could
come through the adrenal or
stress glands was described at
Heart Association's 35th scientifi-
c sessions by Dr. Alfred Kersh-
baum and associates of Philadel-
phia General Hospital.

They theorized that nicotine
from cigarettes provokes an in-
creased release of adrenalin and
nor-adrenalin from the adrenal
glands and nerve endings; and
that these hormones in turn cause
the release of fatty substances into
the blood which might help clog
up arteries and thus in time lead
to heart attacks.

Under everyday physical or
emotional stress, the adrenal
glands release these same hor-
mones to prepare the human body
to fight or run away from a situa-
tion.

Checking into the theory, the re-
searchers had 11 volunteers
smoke nine cigarettes during
three hours while they were sit-
ting still and not eating. For
another three hours, the same 11
persons did not smoke. Their lev-
els of the stress hormones, meas-
ured in the bloodstream and in
urine, were higher while they were
smoking. There also was an in-
crease in the amount of free fatty
acids in their blood, Dr. Kersh-
baum said.

Next, the release of hormones
was prevented by giving them
nerve-blocking drugs. When the
volunteers smoked two cigarettes
in rapid succession, there was no
significant rise in the fats in the
blood, he added.

Broilers Started Total 4 Million
LITTLE ROCK (AP)—Arkansas producers started 4,123,000 broiler chicks last week, the Crop Reporting Service of the Agriculture Department said today, five per cent less than in the previous week.
Of the total placements in the state, 3,614,000 chicks were hatched in Arkansas and 509,000 came from other states. There were 162,000 broiler chicks shipped out of the state during the week.
The estimated total of 5,395,000 eggs set for broiler-type chicks in Arkansas last week was one per cent above the previous week.

Dame Rumor, Market in Love Affair

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—The love affair between the stock market and Dame Rumor rarely has been more evident.

Rumors send prices down and new rumors send them up. This has held true this week both for prices in general and for prices of individual stocks which responded to rumors about how the particular company would fare in view of the latest rumor.

Prospects for different industries and for individual companies were revised almost hourly as stock traders listened to the latest inside dope on how the Cuban trouble was shaping up.

Wild swings in prices resulted. And often these affected public views of the emergency—and in turn fed fresh rumors. An amateur speculator proceeded at his own risk.

Wall Street has its own ways of getting rumors and of spreading them. It heeds official announcements. But more often it tries to anticipate them—frequently with notable success and sometimes with none at all.

Traders who guessed right could have made a lot of money this week. For example you did if you sold early Monday in expectation to the President's ordering of a blockade of Cuba, and then bought at the low point Wednesday morning in expectation that stocks would rebound at the first rumor

Faubus Leaves for Briefing

LITTLE ROCK (AP)—Gov. Orval E. Faubus left shortly before noon today for Fort Worth, Tex., to attend a briefing on the Cuban situation.

The governor received a telegram from Secretary of State Dean Rusk inviting him to the regional meeting conducted for governors and members of Congress by the State and Defense departments.

The briefing, one of five to be held across the nation by the two departments, was called to provide legislators and governors secret information 20 congressional leaders received yesterday from

—substantiated or not—that Soviet Premier Khrushchev would seem to be backing down.

And commissions on the huge volume of sales and purchases helped out the brokerage houses that had been languishing in near-dead markets.

Because stock trading is nationwide, Wall Street has the advantage of a news or rumor network of its own. True or false, such word is fed into the boardrooms before it has time to be evaluated and reach print or the news broadcasts.

The Street also has access in many cases to inside corporate information. Example A company put on notice to be ready for a national emergency may know before the public does that such an emergency is in the making or feared. This information often reaches outside ears—bankers, brokers, businessmen having contacts with the firm.

President Kennedy.

Assistant Secretary of State Frederick G. Dutton and Assistant Defense Secretary D. E. McGiffert flew to Fort Worth to conduct the briefing.

Signs Flood Bill

Demonstrating new '63 Chevrolet truck features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coil-spring independent front suspension — easier on truck, load and driver.

Now engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'bah) Peninsula? This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.

DOROTHY DIX

Another Case of Too Much, Too Soon!

By HELEN WRDEN ERSKINE

Dear Helen: This is addressed to the 16-year-old girl who wrote you complaining because she couldn't have her way about dating, make-up and sophisticated clothes.

Liston, dear 16-year-old: This isn't a 43-year-old mother who's forgotten what life was like at your age. I'm an 18-year-old girl, graduated from a fine finishing school this year, with above average grades. I was a cheer leader, pretty, popular and willful. My family has plenty of money. I'm telling you this now because, if I didn't, you'd probably think as you read on, that I was some tramp from the slums.

When I was 16 I thought the same as you did. Father and Mother belonged back in the Dark Ages, that they were trying to keep me from growing up.

That's only a teen-ager's alibi. Honey, your mom and Helen are right! Keep your mind on school-work, not guys. And if you play it cool with the guys, they won't think you're a Kook, honest!

My popularity went to my head when I was 16. I flirted, dated a different guy every night of the week, had myself a whirl. In the doing I lost my reputation. Now, I'm going with a guy who's been dating me on and off for the past year. We're in a sinful rut and I'm sick of it but lack the will to get out. What the heck, I say to myself. If it wasn't this boy, it would be another.

My parents try to keep me in line, but frankly admit I'm beyond control. My trouble is, had too much too soon. Mom did what she could to discipline me but Daddy spoiled me. I have charge accounts at all the big

stores, a dandy little foreign racing car of my very own and independent income from a trust fund which started on my 18th birthday.

I have everything, yet nothing. Lots of girls echo your words, Honey. And lots of girls get into trouble just because they are trying to grow up too soon in the only way they know how.

Wait until you're mature enough to handle your emotions. Keep a pure mind and heart and grow up the way a girl should, certainly not the way I did.

Helen, please print my letter. I want every 16-15 and 14-year-old girl to read it. —Someone Who Knows

Dear Someone: Foolish though you have been, it's never too late to start over. Begin today. Chuck the boy with whom you're having an affair. Life is what you make it. Yours can be wonderful if you put yourself and your money to constructive use. Develop your talents. Travel, study, work! Be somebody of whom your parents will be proud, instead of ashamed!

Dear Helen: Am I old-fashioned? I was taught as a girl that a bride wears white only if she is a virgin. White was not permitted at a second marriage or if the bride had a child born out of wedlock. Yet you said in a recent column that an unwed mother-to-be, marrying for the first time, might wear white if she chose. There has been quite a bit of comment from the women of my community over this. Are we wrong, or did you advise correctly? —Old-Fashioned

Dear Old-Fashioned: When you and I were girls, white was reserved for the chaste bride. Though even then, as we may infer from the Kinsey Report, many

brides sailed under false colors. Today — even when the truth is known — we are more lenient, thank heaven. To rule otherwise is figuratively to brand the girl with the scarlet A of adultery. Whether or not the bride wears white is now a matter of taste rather than antiquated custom.

Dear Helen: I am a girl with gypsy feet and a \$50 savings account who longs to see the world. Try as I will I can't get ahead even though I make a fair salary and am far from dumb. Ho, hum! Living comes high these days. I'm getting no younger and beginning to accept my fate as a stay at home. This worries me. Any suggestions? —Arm-Chair Traveler

Dear Arm-Chair Traveler: Send a stamped, self-addressed envelope for my letter, "Travel and Work." If you have the will, there is a way, especially for competent secretaries. Check with the personnel directors of big companies who have branches in foreign countries. A knowledge of languages helps. Start by studying French, still the most useful.

Send your problem to Helen Worden Erskine care of this newspaper, self-addressed envelope. Helpful leaflets available. Write for "Financial Troubles."

Camden Has to Win to Stay in Lead

Three Div. 4AA conference games this week highlight a weekend of football that could provide further upsets and changes in the standings. Games this week will find Fairview playing host to Magnolia; Camden travels to Hope; and Crosssett plays at Smackover. In a non-league game Malvern plays at Sheridan.

Only one conference game was played last week but it was an important one to the Magnolia Panthers. Magnolia played a favored Hope team to a 0-0 score. In playing the tie Magnolia still maintained their chance at a shot at the conference title.

In non-conference action Smackover defeated Hot Springs 15-0; Malvern defeated Arkadelphia 10-0; Fairview blasted Bearden 35-0, and Camden lost a close call to Pine Bluff 12-7.

Camden still maintains a lead in the 4AA standings but Fairview is close in second. Magnolia and Malvern, and Fairview each have only a single loss in conference play. All other teams have two or more defeats.

Statistics for the week show that the Fairview Cardinals have taken over the leadership in both offense and defense rushing. The Cardinals have 1,151 yards rushing. Fairview has yielded 728 yards. Crosssett has yielded 815 and Camden 1,066.

In net yards passing Camden leads with 422 yards, followed by Smackover with 413 yards, and Hope 256 yards. In defense against passing Magnolia has given up but 176 yards, followed by Crosssett with 195 yards, and Hope with 204 yards.

Hope, despite the fact that they have failed to score in three weeks, leads the team scoring with 106 points followed by Fairview and Camden with 101 points each.

Stanley Watson, Fairview fullback, further added to his individual scoring lead, and has doubled his nearest competitor, Watson has 10 touchdowns for 60 points. Roberts of Smackover and Cole of Magnolia each have 30 points. Jim Jordan of Camden has 27, and Porterfield of Hope has 25.

In the extra point department Fairviews, Tommy Burton has 12 PATS followed by Jordan of Camden with 10, and Porterfield of Hope with 7. Burton also has a field goal and a safety to his credit.

The Standings:	W	L	T
Camden	2	0	1
Fairview	2	1	0
Malvern	2	1	1
Magnolia	1	1	1
Hope	2	2	1
Smackover	1	2	0
Crosssett	1	3	0

Texas, Hogs Are Heavy Favorites

The Texas Longhorns, winners of 19 of their last 20 games but still able to lose a lopsided game with one little slip, try to swat at usually troublesome Rice Owl Saturday in the big game of the week in Southwest Conference football.

Unbeaten for the season, carrying the No. 1 national tag and meeting a team that hasn't won one in the last five, Texas is favored by two touchdowns but not because Coach Darrell Royal wants it that way.

Mindful that Texas hasn't beaten Rice in Houston in a decade and having to play in the Owls' own bawliwick before 71,500 wild-eyed fans, Royal has said with a plaintive note that he'd like to feel confident of winning by just one touchdown.

Two more conference games are on the schedule and one of them could give the league race one of the quirks that makes it so interesting and uncertain.

The only team, other than Texas with a perfect conference record is Southern Methodist, which won its first game in eight only last Saturday in a 15-7 belling of Rice. Southern Methodist plays Texas Tech at Lubbock. A Southern Methodist victory coupled with a possible Texas loss would put the Methodists on top of the race.

The Methodists are favored by six points to beat winless Tech although they are playing the Red Raiders on homecoming day.

The other conference tussle has Texas A&M trying to knock over Baylor at Waco on the Bears' homecoming. It is a survival battle with the loser to fade from championship contention.

Baylor, which finally hit the stride predicted for it in a 28-trouncing of Texas Tech last week, is a point pick to knock over the Aggies.

Leading Grid Teams Face Tough Foes

Arkansas and Alabama rated the nation's top two major college football teams, are expected to have a ball against lesser lights, but Northwestern's third-ranked Cinderella club has been cautioned against losing its glass slipper in Saturday's shindig with three-beaten Notre Dame.

While Texas tangles with winless Tice and Alabama takes on Tulsa, Northwestern will be trying to continue its steady climb toward the top against Notre Dame while looking ahead to next week's showdown struggle with Big Ten foe Wisconsin.

The unbeaten Wildcats, transformed into a gridiron power by sophomore Tommy (Gun) Myers have been cautioned by Coach Ara Parseghian against a letdown in the contest at Evanston, Ill.

Notre Dame, which hasn't put together a winning season since 1958, will carry the psychological edge and an underdog's role into the clash after losses to Purdue 24-0, Wisconsin 17-8 and Michigan State 31-7. An upset could right Joe Kuharich's forces.

The Big Ten has a couple of other bruisers scheduled on the weekend program that gets underway tonight with Dayton at De-

Enthusiasm High, Bobcats to Be Fighting

By VINCE FOSTER

Tonight at 8 o'clock the Hope Bobcats will be trying for an important 4AA upset over the league-leading Camden Panthers at Hammonds Stadium. The underdog Bobcats will also honor their fathers as this is Dads' Night. The fathers will be introduced and recognized in a special program at the stadium about 7:35.

Coach Pierce has shown some optimism, and there is a good chance the Bobcats may upset those high and mighty Camden Panthers. The enthusiasm at Hope High School has been very good, considering the Cats haven't scored in three games, and if the adults back them as much as the student body is, a Bobcat victory may be tonight's outcome.

Hindering the Cats again this week is the loss of QB Mack McLarty with a wrist injury and Tackle Kendall Yocum, who has an injured knee. However, End-Quarterback Earl Ray Murphy may see some action tonight. Murphy has been out of action with a broken bone in his foot.

The husky and capable Bobcat defensive line will include Noseman, Ricky Butler at 195 and Jimmy Johnson at 210; Linebackers, Chuck Beggs at 185 and Dan Jones at 195; Tackles, undecided; Ends, John Hughes at 170 and Donnie Vaughn at 160; Halfbacks, David Porterfield at 165 and Roy Wray at 160; Monster man, Richard McDowell at 175; and Safety, Jerry Burnett at 160.

Porkers Play H-S at Little Rock Sat.

LITTLE ROCK (AP)—The University of Arkansas, ranked ninth in the nation, takes on lowly, weaker-than-ever Hardin-Simmons University, which has won only a single game in 28 tries.

The Cowboys upended Trinity University 14-6 last week and lost their ace quarterback — Hollis Coleman — to rib injuries.

Coleman, through six games, had completed 83 passes for 378 yards and three touchdowns, and had a total offense of 453.

He also led Hardin-Simmons in kickoff returns with 23 yards on 11 returns.

In short, he was Hardin-Simmons' Billy Moore.

Even with Coleman the two teams hardly could be compared, but without Coleman the Cowboys will be about like a legless race-horse.

More, on the other hand, is expected to be as sharp as ever.

Despite the fact that Texas edged Arkansas in a 7-3 cliffhanger last week, More maintained his Southwest Conference lead in total offense (742 yards), in rushing (325 yards on 70 carries) in scoring (42 points).

He remained third in passing, and end Jerry Lamb of Arkansas remained the No. 1 pass receiver in the conference with 1 reception for 238 yards.

The game, at best, offers Arkansas a chance to expand itself statistically and, perhaps, regain some of the nation prestige lost in its defeat by Texas last week.

The game will be played in 40,000-seat War Memorial Stadium. Kickoff is at 8 p.m.

American Flavor in Yonkers Race

YONKERS, N.Y. (AP) — The \$60,000 United Nations Trot at Yonkers Raceway had a distinct American flavor with Elaine Rodney capturing the top prize and second-place Su Mac Lad becoming the greatest money-winner in harness racing history.

Elaine Rodney, owned by the S. L. & K. Stable of Eggertsville, N.Y., and driven by Clint Hodgins beat the 3-5 favorite Su Mac Lad Thursday night, trotting the 1 1/4 miles through snow flurries and over a sloppy track in 3 minutes, 18.2 seconds.

Winning only her third race in 23 starts, the 5-year-old mare paid \$51.50, \$10.00 and \$5.40 while earning \$30,000. Su Mac Lad won \$15,000 for a career total of \$50,349. That exceeded the \$554,257 earned by previous all-time record-holder Bye Bye Byrd, a pacer.

CAMDEN, N.J. (AP) — Smart Deb remained the morning line favorite today for Saturday's richest running of the Gardenia Stakes for 2-year-old fillies at Garden State Park despite the fact she has lost two straight.

The daughter of Dedicate, to be ridden by Manuel Ycaza, breezed five furlongs Thursday in 1 minute, 5 3/5 seconds and was pronounced fit by trainer Arnold Winnick who calls her "the easiest horse I ever handled."

With two \$5,000 supplementary nominations and 11 starters the gross \$11,995 would yield \$97,979 to the winner. This will be the richest juvenile filly race of the year.

Porkers Travel to Spe Today

FAYETTEVILLE, Ark. (AP) — The University of Arkansas Razorbacks travel to Hot Springs today for a breather before their game with Hardin-Simmons at War Memorial Stadium Saturday.

The Porkers practiced signal drills for 90 minutes Thursday working in pads.

Coach Frank Broyles said the squad is in good condition.

Hardin-Simmons is expected to be no test for the Razorbacks, defeated this season only top-ranked Texas—and then in a cliffhanger.

But there is plenty of interest in the Arkansas-Rice game coming up next week. University officials said Thursday freshmen students have been lined up since Monday waiting to buy tickets.

Bob Cheyne, sports publicist, said the homecoming game is already a sell-out. The students, he said, are taking turns holding their place in line to buy tickets when they go on sale Monday.

Wall Street got its name from the wall which Dutch governor of New York, Peter Stuyvesant, built in 1653 to keep the English out.

TEXT OF PROPOSED AMENDMENT 50

SECTION 1.
In addition to any taxing power that may be now or hereafter granted to municipal corporations of this state by constitutional or statutory provision, there is hereby granted to municipal corporations the power to assess, levy and collect taxes pursuant to this Amendment, and the type and amount of such taxes so levied shall not be limited by an existing constitutional provision, nor by enactment of the General Assembly.

Provided, that the question of repeal of such tax shall not again be presented for a vote of the qualified electors for a period of at least two years from the date of such election.

SECTION 5.
Taxes levied under the provisions of this Amendment may be for any lawful municipal purposes; Revenues derived from such taxes may be pledged to secure payment of bonds issued for municipal public improvements. Provided, that no tax revenue pledged for the retirement of bonds shall be repealed until sufficient monies have been collected to meet the principal and interest requirements on such bonds.
